chapter 2 exercises - University of California, Los Angeles

Chapter 2: Exercise J. Read the following passages in phonetic transcription. The first, which represents a form of British English of the kind spoken by Peter Ladefoged, is a broad transcription. The second, which represents an American pronunciation typical of a Midwestern or far Western speaker, is slightly narrower, showing a few allophones. By this time you should be able to read transcriptions of different forms of English, although you may have difficulty in pronouncing each word ...
