3.0 out of 5 stars Good book, terrible customer service. March 24, 2016. Format: Paperback Verified Purchase. Great question source, but traveling between questions/answers is bulky. The online version is no better (if not worse)... if you want to study "Hematology and Coag" for instance, there are 325 questions.

This book more or less has the monopoly on the pathology board review books. In that capacity it does a decent job. It will highlight areas that might have been missed during a rotation or study session. Some of the pictures could be improved, but the same could be said about the board exam themselves. Worth the purchase.
