College Algebra 5th Edition - amazon.com

Beecher, Penna, and Bittinger's College Algebra is known for enabling students to "see the math" through its focus on visualization and early introduction to functions. With the Fifth Edition, the authors continue to innovate by creating and positioning review material to provide a more effective tool for teachers and students.

College Algebra, 5th Edition - Pearson

College Algebra was written specifically to help students learn to think mathematically and to develop true problem-solving skills. Following the success of the most recent revision of Precalculus, the Third Edition shows how the authors have refined their approach to make it work even more effectively for today's students.
