The Spanish Civil War served as an ideological and physical battleground for visionary Americans wishing to combat the spread of fascism. Harry Fisher was one such idealist who became a soldier in the famed Abraham Lincoln Brigade, the American contingent of international volunteers dedicated to defeating Franco's forces.

Homage to Catalonia is George Orwell's personal account of his experiences and observations fighting for the POUM militia of the Republican army during the Spanish Civil War. The war was one of the defining events of his political outlook and a significant part of what led him to write in 1946, "Every line of serious work that I have written since 1936 has been written, directly or indirectly ...
