Universe convo is not a therapy replacement—though a much cheaper option. It's developing presence and awareness through a yoga/meditation practice to recognize what's happening right now, which often guides us to what's ahead. Listening to the universe, essentially, is tapping deeper into your own intuition.

The universe is eager to share its secrets, if we are willing to be curious and ask. Perhaps the most magical part of all this is that we can choose who delivers these messages based on what resonates with us. You can seek clarity from your higher self, ancient deities, angels, ancestors, spirits, or even aliens.
