Counterpoint is a style of musical writing which involves intertwining two or more melodies. Each individual melody (also called a "voice" or "part") is an independent, musical idea, and the emphasis is on the separate strands of melody, on the horizontal axis, rather than on the harmony, or vertical axis. This style of writing originated in the Renaissance era, and reached its apotheosis during Baroque times.

Counterpoint is the relationship between two or more melody lines that are played at the same time. These melodies are dependent on each other to create good-sounding harmonies, but also are independent in rhythm and contour. These melody lines are called voices, and a piece of music can have counterpoint between two, three, four, or more voices.
