Disability discrimination: the definition ... - Practical Law

Disability discrimination occurs when an individual is discriminated against or harassed because of their disability, perceived disability, or association with someone who is disabled. This is against the law and punishable under the Americans with Disabilities Act (ADA).

Disability Discrimination Attorneys - Wilshire Law Firm

Despite federal and state laws that expressly forbid discrimination against people for their disabilities, it's unfortunately common for employers to engage in such behavior. Some do so covertly while others may more brazenly violate your rights, but under no circumstances should you have to tolerate such behavior.
