being able to reach this standard. Otherwise, a bilingual may be anywhere on a continuum of skills.

### **Bilingualism and Multilingualism | Encyclopedia.com**

Bilingualism/Bilingual education Definition. Bilingualism is the ability to communicate in two different languages. Bilingual education is the use of two different languages in classroom instruction. Description. Languages are learned most readily during the toddler and preschool years and, to a lesser extent, during elementary school. Therefore, children growing up in bilingual homes and/or receiving bilingual education easily acquire both languages.

### **Bilingualism | Encyclopedia.com**

Bilingualism (multilingualism) refers to the coexistence of more than one language system within an individual, as contrasted to monolingualism. The question of how the two languages interact
