Grails In Action Second Edition

I've read both this book and the older Definitive Guide to Grails, Second Edition, and I'm happy to report that Grails in Action is both more concise and better-organized than that other (nonetheless excellent) tome. It is also slightly cheaper and, until Grails 1.2 is released (it's in early milestone as of this writing, so I wouldn't expect it to be production-ready before 2010), pleasingly up-to-date.
