### **Law Practice Of Evidence In**

Evidence law is the branch of law concerned with the rules and methods by which evidence is admitted and used in a legal trial. These rules set out what type of evidence can be admitted for consideration by a judge or jury in a trial. Evidence law also concerns the type of objections that can be raised to certain evidence being admitted, such as hearsay, illegally-obtained evidence, or a privilege that prevents the evidence in question

The law of evidence, also known as the rules of evidence, encompasses the rules and legal principles that govern the proof of facts in a legal proceeding. These rules determine what evidence must or must not be considered by the trier of fact in reaching its decision. The trier of fact is a judge in bench trials, or the jury in any cases involving a jury. The law of evidence is also concerned with the quantum, quality, and type of proof needed to prevail in litigation. The rules vary depending u
