MATHCOUNTS® - Florida Engineering Society

Excel in math and science. ... In 6th grade, I did no competition preparation at all. No Mathcounts, which I see as a mistake looking back. I did take the AMC 8 and 10, getting a 20 and a 78, respectively, and I didn't really care. 7th grade is the year I really picked it up. I was 2nd place at my school in Mathcounts (which continued, usually ...

Some advice about math competitions - Daniel Chiu | Brilliant

In my book, MathCounts Preparation: How to Excel at Middle School Math Competitions, I start with mental skills and speed calculation. In later chapters I proceed to cover all subjects that are tested in any middle school math competitions. Many student can not finish all the questions due to time constraint. They spend too much time in calculation.
