My Grandmother Sends Her Regards and Apologises is a quirky, humorous and moving book about love, friendship and grief. Elsa is seven. But she's not very good at being seven. Luckily her beloved Granny isn't very good at being 77 either. Granny is Elsa's only friend and she is a superhero. Granny's superpower is telling stories.

My Grandmother Sends Her Regards and Apologises by Fredrik ...

My Grandmother Sends Her Regards and Apologises is a magical and oh so clever fairytale, suitable for all ages, about the real world. Give Fredrik Backman all the awards already, because this is the most memorable and brilliant book I've read all year and I doubt something quite a special will come along before 2015 is over.

My Grandmother Sends Her Regards and Apologises is a little hard to get into: Told from the perspective of Ulricha (a seven-almost-eight-year-old girl with a complicated homelife and no friends), we meet her granny (the type of old woman who would break into the zoo's monkey enclosure in the middle of the night and fling poop at the cops when they show up) and soon learn that Granny has made up a complex world of fairy tales for her granddaughter (complete with a secret language), and as the ...

Mind Picker: My Grandmother Sends Her Regards and Apologises

The plot of this book is deceptively simple. A young girl's beloved and eccentric grandmother dies, leaving the girl letters to deliver to others - to send her regards and apologies. The meat of the story lies in what the grandmother apologises for, and what the girl learns about people she only thought she knew.
