Anglo-Saxon fortifications. The English word "castle" derives from the Latin word castellum and is used to refer to the private fortified residence of a lord or noble. The presence of castles in Britain and Ireland dates primarily from the Norman invasion of 1066. Before the arrival of the Normans the Anglo-Saxons had built burhs, fortified structures with their origins in 9th-century Wessex.

The Great Castle is located in the west part of the vast northern Forest. It is the ancestral residence of the kings. The three heroes enter the castle by crossing a great Drawbridge leading into the Forsaken Dungeons. Deep within the castle is found the Throne of the Lost King, the ancient seat of power in the kingdom.
