The Toyota Corolla Levin and the Toyota Sprinter Trueno are small, almost identical, lightweight, compact sports coupés which were produced by Toyota from 1972 to 2004. The name of this Corolla model was taken from one of the New Zealand venues of the Tasman Series motor races. However Levin in Old English does mean lightning and Trueno in Spanish means thunder.

This guide covers Toyota Corolla models with distributed ignition systems built after 1977. Toyota Corolla models with a distributor-less ignition system require adjustment by a professional. Changing the timing on a Toyota Corolla requires special tools and a clear understanding of engine mechanics.
